SAFE ASSEMBLY & USE

PLEASE DO

- **Enjoy your Timber Tidings Tree!** It's designed to spark joy, create memories, and bring a touch of magic to your holiday season.
- **Assemble with care.** Two people recommended; no tools required.
- **Store thoughtfully.** Fold flat and place in a cool, dry space. Purchase the Timber Tidings Dust Bag for added protection.
- **Clean gently.** Use a soft, dry cloth to remove dust and preserve the finish.

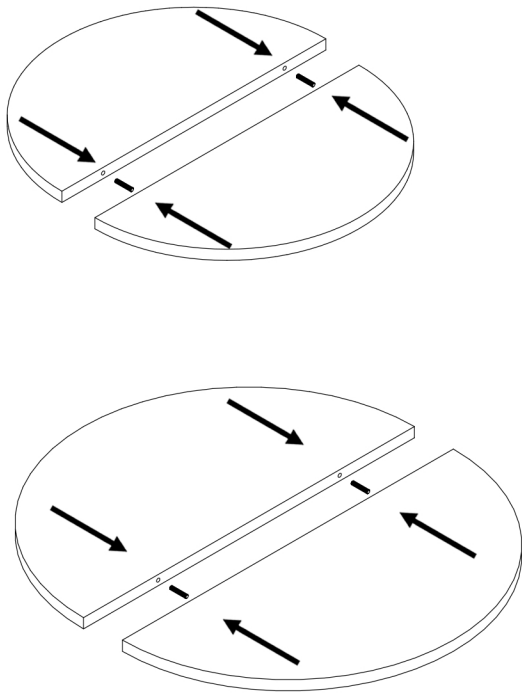

PLEASE AVOID

- **Do not place heavy gifts or items on the tree.** It's decorative and not designed to support weight or leaning objects.
- **Do not expose to moisture or humidity.** Moisture may cause warping or deterioration. Keep the tree in a dry environment.
- **Do not position near heat sources or open flames.** Keep away from fireplaces, candles, radiators, and heaters.
- **Do not use harsh cleaners or abrasives.** These may damage the wood's finish. Clean gently with a soft, dry cloth.
- **Do not use outdoors. Intended for indoor use only.** Outdoor exposure may compromise its structure and appearance.
- **Do not disassemble without guidance.** Your tree is collapsible and modular. Follow the provided instructions carefully to avoid damage.
- **Do not store improperly.** Avoid stacking heavy items on top or storing in damp areas. Keep in a cool, dry space when not in use.
- **Do not leave young children unsupervised.** The tree is not a toy. Supervise toddlers and young children to prevent climbing or rough handling.
- **Do not hang heavy or breakable items.** Use lightweight, child-safe decorations to prevent injury or damage.
- **Do not set up on unstable surfaces.** Place on a flat, stable surface away from high-traffic areas to prevent tipping or bumps.
- **Do not use lights labeled for "Outdoor Use Only".** Choose UL-listed lights marked "Indoor Use Only" or "Indoor/Outdoor". Please inspect for damage, use surge protection, and turn them off when unattended.
